The University of Illinois Medical Center (UIMC) is home to some of the most powerful clinical MRI magnets in the world and offers the latest advancements in Clinical Imaging. The UIMC MRI center is certified by the American College of Radiology. UIMC Physicians are board certified, subspecialty trained and have the experience you can count on for your imaging needs.
The University of Illinois Medical Center is home to a team of Radiologists committed to fulfilling the needs of our patients and referring physicians. These physicians are sub specialized in many different specialties and are board certified by the American Board of Radiology.

MASOUD HEMMATI, MD  
PROFESSOR AND HEAD OF RADIOLOGY  
SPECIALTY  
- Neuro Imaging

GALDINO VALVASSORI, MD  
PROFESSOR OF RADIOLOGY  
SPECIALTY  
- Neuro and ENT Imaging

ANDREW WILBUR, MD  
ASSOCIATE PROFESSOR OF RADIOLOGY  
SPECIALTY  
- Cross Sectional Body Imaging

KEITH THULBORN, MD, PhD  
PROFESSOR OF RADIOLOGY  
SPECIALTY  
- Neuro Imaging  
- Functional Imaging (MRI)

MICHAEL BRESSLER, MD  
ASSISTANT PROFESSOR OF RADIOLOGY  
SPECIALTY  
- Cross Sectional Body Imaging  
- Musculoskeletal Imaging

KAREN XIE, DO  
ASSISTANT PROFESSOR OF RADIOLOGY  
SPECIALTY  
- Musculoskeletal Imaging  
- Cardiac MRI Imaging  
- Breast Imaging

EDWARD MICHALS, MD  
ASSISTANT PROFESSOR OF RADIOLOGY  
SPECIALTY  
- Diffusion Imaging  
- Perfusion Imaging  
- Functional Imaging (MRI)  
- Vertebroplasty  
- Myelography

NITU SARAN, DO  
ASSISTANT PROFESSOR OF RADIOLOGY  
SPECIALTY  
- Diffusion Imaging  
- Perfusion Imaging  
- Functional Imaging (MRI)  
- Vertebroplasty  
- Myelography

WINNIE MAR, MD  
ASSISTANT PROFESSOR OF RADIOLOGY  
SPECIALTY  
- Cross Sectional Body Imaging  
- Musculoskeletal Imaging

EJAZ SHAMIM, MD  
ASSISTANT PROFESSOR OF RADIOLOGY  
SPECIALTY  
- Cross Sectional Body Imaging  
- Musculoskeletal Imaging
